Open Studios Art Tour is a juried event so having your artwork professionally photographed will ensure that it looks its very best. I also provide expert help with formatting your digital images so that they are ready to upload to websites like Zapplication.org. I have been assisting local artists with the Open Studios application process since 2006 and photographing fine art since 1983. I look forward to the opportunity to work with you.

**Most 2D Art is photographed while the Artist waits!**
